

VISION

To become the leader in power generation in Bangladesh in line with the government's target to provide electricity to all.

MISSION

Empowering Bangladesh by expanding the company's power generation capacity to meet the growing demand of the country through efficient and effective management of facilities and acquisition of capabilities for providing quality electricity

OBJECTIVES

- ↘ To enhance electricity generation from existing 1690 MW to 3060 MW by 2025 and to 5927 MW by 2030.
- ↘ To achieve auxiliary consumption at 4.5%.
- ↘ To maintain 90% availability of power plant through proper maintenance.
- ↘ To maintain zero accident level consistently.
- ↘ To adopt the fuel diversification policy by installing coal and solar based power plants.
- ↘ To provide need-based training to each employee as part of Human Resource Development.
